Subject: Application for Internship

Dear Sir,

I am writing to express my enthusiastic interest in pursuing an internship at NASTP, Islamabad. As a recent graduate in Artificial Intelligence from FAST-NUCES University, I am confident that my skills and passion for AI make me an ideal candidate for this opportunity.

During my undergraduate studies, I developed a strong foundation in Machine Learning and Natural Language Processing (NLP). I am eager to apply my expertise in a real-world setting and further enhance my skills under the guidance of experienced professionals. NASTP's esteemed reputation as a leading institution in AI research and development makes it an honor to be considered for an internship.

I am particularly drawn to NASTP's commitment to advancing AI technologies and its contributions to the field. I am impressed by the institute's cutting-edge research and innovative projects, and I am excited about the prospect of being part of a team that is shaping the future of AI in Pakistan.

Through this internship, I hope to gain hands-on experience in AI applications, collaborate with experts in the field, and contribute to meaningful projects. I am confident that this opportunity will not only enhance my technical skills but also provide me with valuable industry insights and networking opportunities.

Thank you for considering my application. I have attached my resume for your review. I look forward to the opportunity to discuss my application and how I can contribute to your mission.

I have attached following three documents:

- Transcript
- CV
- Letters of Recommendation

Sincerely,

Muhammad Hamza Jadoon
